The Management Board of Orbis S.A. hereby informs about a change in the publication date of the annual reports: the stand-alone financial statements of the company Orbis S.A. and the consolidated financial statements of the Orbis Group for 2005.

The date of publication of the said reports has been scheduled for May 26, 2006.

The change of dates is the result of works related to transition of the entire Orbis Group into the IFRS. At the same time, a joint date of publication of both the annual reports corresponds with the stance of the licensed auditor, according to whom, in line with the IFRS, the stand-alone report should not be published prior to the publication of the consolidated financial report.
